

GETTING TO SANDOZ UNTERACH

Our head office sits on the banks of lake Attersee in Upper Austrian.
To reach us by car or public transport, please follow the directions below.

ARRIVING BY CAR

From Vienna: From the A1 heading towards Salzburg, take the St. Georgen im Attergau exit (242) towards Attergastr. (L540). At the junction after the motorway exit, turn left onto the Attergaustraße (L540). After approximately 3 km, turn right and continue along the Attersee Straße/Nußdorferstraße (B151) following the banks of the lake until you reach Unterach. Signposts will then guide you to our premises. Visitor parking is available on site.

From Munich/Salzburg: From the A1 heading towards Vienna, take the Mondsee exit (264) and turn right onto the Mondseestraße (B154). Continue to the roundabout and take the second exit. After approximately 2 km, turn left onto the Atterseestraße (B151) and continue along the banks of the Mondsee until you reach Unterach (approx. 14 km). Signposts will then guide you to our premises. Visitor parking is available on site.

BY PUBLIC TRANSPORT

Unterach does not have a train station. We recommend that visitors arriving by air or rail plan to complete their journey by car or taxi. The best transport links are available from Salzburg and Munich airports and Salzburg main station.
